DECLARATION OF PERFORMANCE
12000 float clear 2 mm

Basic soda lime silicate glass intended to be used in buildings and construction works
EN 572-9:2005

Essential characteristics	Performance
Safety in the case of fire	
Resistance to fire	NPD
Reaction to fire	A1
External fire performance	NPD
Safety in use	
Bullet Resistance	NPD
Explosion resistance	NPD
Burglar Resistance	NPD
Pendulum body impact resistance	NPD
Resistance against sudden temperature changes and temperature differentials	40 K
Wind, snow, permanent and imposed load resistance	2 mm
Protection against noise	
Direct airborne sound insulation (EN 12758) - R_w (C;Ctr): dB	NPD
Thermal properties	
Declared emissivity	NPD
Thermal properties (EN 673)	5,8
Radiation properties	
Light Transmission	0.91
Light Reflection	0.08
Solar energy characteristics	
Solar Energy Transmission	0.89
Solar energy reflection	0.08
Solar factor	NPD
Durability	
	PASS

NPD = No Performance Determined

The performance of the product identified is in conformity with the declared performance above. This declaration of performance is issued under the sole responsibility of the manufacturer.
